DECLARATION RAEE-WEEE

"Implementation of the Directives 2002/95 / EC, 2002/96 / EC, and 2003/108 / EC, DIRECTIVE 2012/19 / EU OF THE EUROPEAN PARLIAMENT AND OF THE COUNCIL dated 4th July 2012, relating to the waste of electrical and electronic equipment (WEEE) (recasting) (Text with EEA relevance), and relative to the use of hazardous substances in electrical, and electronic equipment, as well as to the waste disposal ".

Trancerie Emiliane S.p.A. is aware of the obligations deriving from the Rules RAEE-WEEE, even though, it does not fall within the category parameters in scope of application, anyway, it is actively involved in supporting goals, fostering communication with its suppliers and customers.

The company Trancerie Emiliane S.p.A. does not produce electronic equipment, and is not subject to the obligation of registration WEEE.

Application Scope:

Please refer to article 2 of the Legislative Decree N. 151/2005 (implementation-transposition of European Directives 2002/95 / EC, 2002/96 / EC, and 2003/108 / EC), which defines the application scope, establishing that "the present Decree applies to electrical and electronic equipment, falling under the categories identified in Annex 1 A, (an integral part of the legislative decree), provided they are not pieces of equipment, and do not fall within the application scope of this decree.

Annex 1 B (part of the above mentioned legislative decree) identifies, by way of example, a list of products, which fall under the categories of the Annex, categories of products not covered by the production of Trancerie Emiliane S.p.A.
